That Galway City Council calls on the Office of Public Works to carry out the necessary excavation works to recover the remains of Joe Brady, Daniel Curley, Michael Fagan, Thomas Caffrey and Tim Kelly, in what is commonly known as the Invincibles Yard at Kilmainham Gaol. The bodies of these five members of the Irish National Invincibles lie beneath the paving slabs of the yard where they were executed in 1883 for their part in the Phoenix Park assassinations. The families of the five men are represented by the National Graves Association and the wish of the families is for their relatives to be exhumed from Kilmainham Gaol and reinterred in consecrated ground at Glasnevin Cemetery.'

NOM 33/2021**Notice given by: Cllr. C. Connolly****Date Received: 22nd June 2021**

Galway City Council acknowledges the need for a new national maternity hospital (NMH) to provide the highest quality healthcare in Dublin, and across Ireland. Galway City Council notes the lack of legal clarity regarding the ownership and management of the hospital, and also acknowledges the concerns regarding the employment rights of those who will work in the hospital.

Galway City Council agrees to write to the Minister for Health to call for the proposed new publicly-funded NMH to be constructed on land owned by the State; and that, to guarantee its secular ethos, the new facility be fully owned and governed by the State. If this motion is passed it is agreed that this motion is circulated to all Local Authorities.

GCC calls on the Government to support a New Deal for Early Childhood Years, increasing investment and implementing a new funding model so educators are paid a decent wage, childcare is affordable for parents and these essential services are sustainable into the future.

Living with IBD can be a daily struggle, traveling outside the home has always been a challenge for many people living with IBD.

The Irish Society for Colitis and Crohn's Disease is calling on all County Councils and the Department of Health to recognise our "No Waiting" card, to support people in the community with IBD gaining urgent access to a nearby toilet.
