

BÓTHAR STIOFÁIN CYCLE NETWORK SCHEME NEWSLETTER - ISSUE NO. 2

26TH SEPTEMBER 2025

WELCOME TO THE SECOND ISSUE OF THE BÓTHAR STIOFÁIN CYCLE NETWORK SCHEME NEWSLETTER

Bóthar Stiofáin Phase 1A Works:

The Bóthar Stiofáin Cycle Network Scheme works commenced as planned on Monday the 8th of September with works currently ongoing in Phase 1A and 1B, on the Bóthar Stiofáin East Verge at the Ragoon Road Junction, as shown in the below figure.

On-Road Works commencing Monday the 29th of September:

- From Monday the 29th of September, works will commence on the on-road live carriageway works in the area marked as Phase 3 in Figure 1, adjacent.
- On-road works will be carefully planned and sequenced in stages to minimise traffic disruption.
- Some works will be required at house estate entrances and the drop off area at the Gateway Business Park as well as outside driveway entrances to some residential properties fronting the works. Affected residents will be liaised with in advance to coordinate any specific access arrangements.
- Temporary traffic management measures will be required to facilitate the works, including some temporary lane closures and pedestrian and cycleway diversions.
- Lane closures and diversions will be clearly indicated by signage.
