

BÓTHAR STIOFÁIN CYCLE NETWORK SCHEME NEWSLETTER - ISSUE NO. 3

24 OCTOBER 2025

WELCOME TO THE THIRD ISSUE OF THE BÓTHAR STIOFÁIN CYCLE NETWORK SCHEME NEWSLETTER

Bóthar Stiofáin Phase 1 Works:

The Bóthar Stiofáin Cycle Network Scheme works are continuing as planned on the eastern verge of the Bothar Stiofain Road with works currently ongoing in works areas Phase 1A, 1B, 1C and 1D as shown in the below figure.

Phase 1E Works Adjacent Lidl Supermarket and Entrance to Galway West Retail Park commencing Tuesday 28 October:

- From Tuesday 28 October, works will commence in works area Phase 1E as shown in Figure 1, adjacent, along the footpath in front of Lidl Supermarket and at the T-Junction entrance to the Galway West Retail Park.
- Temporary traffic management measures will be required to facilitate the works, including some temporary lane closures. There will be some diversions required for walkers, wheelers and cyclists.
- Lane closures and pedestrian and cyclist diversions will be clearly indicated by signage. Safety barriers will be erected for pedestrians
- These are works have been prioritised on the current construction programme in an attempt to minimise disruption to businesses and patrons during the upcoming busy Christmas shopping period.
