

Ballybane/Castlepark Active Travel Project

Notice of Upcoming Road Closure

From April 6 - 401 Bus and other vehicles Diversion between 9.30am – 4.00pm, Monday - Friday

Temporary Bus Stop

Bus Stop

Road Closure
401 Bus and vehicle diversion

Coffey Construction Ltd., on behalf of Galway City Council, is nearing completion of the Ballybane Road and Castlepark Road Active Travel Scheme. The final phase involves full resurfacing of the carriageways on both roads. To ensure the safety of the public and workers during these works, temporary road closures are planned to be implemented in coordination with Galway City Council. Details of these closures are outlined below. We appreciate there will be some disruption and thank you for your patience as the project is completed safely. A further leaflet will be circulated before Ballybane Road closures commence, including details of diversion routes.

When will the Closures be in operation?

Road Closures will be in place from 9.30am – 4.00pm, Monday to Friday on the following dates:

- From Monday April 6 for approximately 3 weeks on the Castlepark Road.
- From approximately Monday April 27 for approximately 3 weeks on the Ballybane Road.
- Works on Ballybane Road will not begin until Castlepark Road are complete.

Local Access

Local vehicle access will be maintained on both roads, signage and marshals will be in place to inform locals of the diversion routes to reach their properties. Pedestrian and wheeler access will be maintained at all times.

Bus Services

Between the hours of 9.30am – 4.00pm, bus services will be diverted away from the Castlepark Road and will follow the diversion shown in the diagram on this leaflet. Buses will be as normal at all other times. Signage will also be erected at each bus stop to alert passengers to the alternative bus stop which will be either on the Ballybane Road or the Monivea Road.
